November Challenge—Thanksgiving Offering for World Evangelism

The Thanksgiving Offering for World Evangelism Fund allows our denomination to "go" to "teach", and to "make disciples" globally. It helps support missionaries, schools, Bible colleges, hospitals, and other ministries touching the lives of men, women, boys, and girls for Jesus.

Stewardship Ministries offers several

resources in English, French, Portuguese, and Spanish that will assist your church in promoting the thanksgiving Offering. For more information, log on to the Stewardship Ministries Web Site:

http://stewardship.nazarene.org/or_thanksgiving.html.

All churches can order posters and envelopes just for a minimum shipping charge.

—Heartline

Remember to plan early, pray about setting a goal, plan a strategy, cast a vision, send in your offering to Kansas City. People love to give to reach the lost. Remember Thanksgiving Offering is for World Evangelism. NO church should have a "ZERO" in giving to World Evangelism Fund.

December Challenge-Nazarene Compassionate Ministries Month

Phil Smith left September 29th for Fawn Grove to deliver the summer load of clothing, CCKs and School Pal Paks. Cost per box for shipping is \$12. Remember to send in your shipping costs to Rick Smith, District NMI Treasurer. The fall and winter collection will be delivered in March.

We encourage you during the month of December to remember those in crises with either a Compassionate Ministry Offering, sponsoring a child, packing clothing, CCKs or School Pal Paks and/or remember a struggling parsonage family on our district with a Christmas care package.

Harvest Partners—JESUS Film Ministry (as of October 17, 2006)

JESUS Film Ministry Teams have reported the following:

41,424,483 evangelistic contacts (*JESUS* Film & other tools) 7,199,610 (17.4% of contacts) decisions for Christ 2,245,023 (31.2% of decisions) initial discipleship follow-ups 10,116 new mission churches started 14,230 pastors in training

Please pray for these new starts and the pastors in training! 190 JESUS Film language translations used. 99 countries where the JESUS Film is used.

Correction

It has been brought to our attention that it was incorrectly reported that Christmas Fund money goes to KC.

The Christmas Fund and the Furlough Fund monies go to Rick Smith, District NMI Treasurer.

The LINKS assignment moneys go to Kansas City.

JAMBOREE REPORTS

Missionary Russell & Donna Lovett and Steve and Gerry Perry enjoyed a great day at the <u>Johnson Lamoille Valley</u> Church of the Nazarene. Around 60 (adults and children) attended. Rain did not spoil the day. Lorenda Dunham, Children's Pastor at Johnson Lamoille Valley Nazarene Church, adjusted and brought the games indoors. The children had a great time. Thank you to the leaders of the four churches involved. We appreciate their reaching out to our children and giving them a great day with the missionary.

- The <u>South Shore</u> Children's Jamboree, under the direction of Connie Correia, had 270+ attend. Missionaries Russell & Donna Lovett did a super job. The children gave a missionary offering of over \$300. We appreciate our musicians Donny & Holly Woodbridge and our Marketplace coordinators Dedra & Diane Barr and their helpers. Thank you to the many helpers for registration, decorations, activities such as face painting, soccer, piñata and crafts. It was an exciting and rewarding day. A number of children mentioned that God is calling them to missionary service.
- The <u>Connecticut/Western MA</u> Jamboree was a great success. There were 125 in attendance and Phyllis Busenbark, Mission Area Chairman and Sarah Cherninski, chairmen of the event and their team did a fantastic job. Connie Correia led a spirited time of singing and Ramon & Blanca Sierra had a wonderful time sharing. Two young girls especially felt a call to missionary service. The children enjoyed crafts, games, marketplace, mission time, and face painting. All the activities were based on the Sierras couritry of service, Guatemala. God really blessed the day.

Did You Know?

- The NMI district Presidents' Gathering (DPG) #5 convened October 18-22 in Kansas City, Missouri. DPG is a time of fellowship, networking, equipping and renewal for the DPs.
- Volume 4 of the 2006 World Mission DVD contains a segment entitled "Katrina One Year Later," as well as several
 other exciting segments on what God is doing globally through Nazarene missions.

How far you go in life depends
on your being tender with the young,
compassionate with the aged,
sympathetic with the striving,
and tolerant of the weak and strong.
Because someday in life
you will have been all of these.

Child Sponsorship—"Just One Challenge"

JUST ONE - 1 church, 1 sponsor, 1 child

Each church has received a packet asking them to join the challenge of having each church or individual in that church sponsor one child in 2006.

As reported in the literature ... "As a result thousands of children will find hope for their future that would not have otherwise been possible. Child Sponsorship is a powerful opportunity to guide children toward a genuine experience of salvation through Jesus Christ and a lifetime of authentic discipleship. Won't you join the JUST ONE CHALLENGE and change a child's life today!"

Note:

Anyone who wishes to sponsor a child can choose a picture and bio at the District Equipping Day (Nov. 4th). We have ten available and can get more.

News From The Pews

Linda Westgate, NMI President Wareham Church of the Nazarene, reports that their work & witness trip to Fawn Grove was "wonderful". We packed 342 boxes for shipping. The day after we left, a truck was coming to load up for the Ukraine. It was exciting to see how God works and the amount of work that it entails for this mission. John Borgal and wife Debbie are super workers and their heart is strong for this work."

Suzanne Strong, Missionary president of <u>Burlington/Williston Church</u> of the Nazarene, reported that they sponsored a community "Fair Day for School Pal Paks."

The children participated in games and the prizes were items they could give to the School Pal Paks – a pack of pencils, a ruler, etc. The cost for the day paid for the items to put in the Pal Paks. Each child received a trinket to keep as well. At the end of the day they assembled the School Pal Paks. The result was between 35 – 40 kits given to this ministry. A great fun idea and it helped the children to focus on needy school children in many lands.

Phil Smith, District NMI Compassionate Ministries Director and Emily Hoover, NMI President at Rockville Church. 103 boxes for the truck to Fawn Grove.

Mission Corps and Local Work and Witness Team Opportunities

From Richard and Ruth Jarvis, MISSION CORPS (formerly Nazarenes In Volunteer Service) Coordinators and Local Work and Witness Team Directors for the New England District.

Local Work and Witness Opportunities

"It's too expensive."

"It's too far to go."

"I don't like to fly."

"I can't get the time off from work."

"There are so many needs here at home."

The reasons for not participating in a Work and Witness experience in a foreign country are no longer valid because a District Work and Witness is planned. District Superintendent Owens has suggested two churches on our district, one in Massachusetts and one in Rhode Island, that need our help. Now we need volunteers. A variety of skills will be needed, including "go-fers". If you have a few available Saturdays and the desire to serve contact Richard Jarvis at rrjarv@comcast.net or phone 339-788-0803.

Regional NMI Conference October 2007 (Note Year)

OPEN TO ALL LOCAL NMI PRESIDENTS AND PASTORS WHO SERVE AS NMI PRESIDENTS

October 7-9, 2007, Columbus Weekend, (a year from now) a NMI Regional Conference will be held at Camp Taconic, Red Hook, New York. This conference is held once every four years. In the past District Presidents, District NMI Councils, District Superintendents only have been invited to this event. This time along with those we have just mentioned we would like to invite the local presidents. Dr. Daniel Ketchum and other speakers will be there as well as several workshops will be given. It is a time of inspiration, information, net-working, idea sharing, encouragement and fun. The cost will be approximately \$100 (not confirmed) for five meals and two nights lodging. It will begin Sunday evening and go to Tuesday afternoon.

We need to know your interest in attending. If you are interested please email Gerry Perry at gerryperry@adelphia.net.

We would encourage each church to send their NMI President. Please respond as soon as possible. This will help us plan the number of rooms we will need to reserve. We will send more information as it becomes available.

Mission Corps Opportunities

"Would you be interested in going to Kenya to teach our pastors?" That question was posed to us by Missionary James Craig when he was a guest in our home. We had just retired as public school teachers and had the skill and desire to serve. After receiving a week of cross-cultural training at ENC we started the easy process of applying to Nazarene Headquarters for assignment. For three years we served in Kenya, Tanzania and Uganda for three months at a time. Living with the nationals, eating their food, sharing God's Word and their concerns were experiences we will never forget.

You, too, have the opportunity to serve in the mission corps. Jobs are available in teaching, medicine, accounting, office management, coordinator for Work and Witness teams, construction, photography and videography, etc. To get more information go to Mission Corps on the web or call Ruth Jarvis at 339-788-0803.

Books for Pastors, Tools for Ministry

The Books For Pastors – Tools For Ministry Multi-Language Version DVD has been sent to all French, Portuguese and Spanish congregations.

October was Pastor appreciation month. Many of our churches honored

their pastor by remembering the "Books For Pastors" project during the month. Thank you for your participation!

IDEA FOR PROMOTION FROM THE ROCKVILLE CHURCH

Jim Hoover reports that last week, our lead person, Karen Keyes, passed out film canisters for Books for Pastors to the children at Sunday school and children's church.

Our church, in the adult Sunday School class, is also showing the film series by Dr. James Dobson on Disciplining. At home a reward system for children is that they get to put in a quarter every time they are good or do something extra. It seems to be working in most cases for children who need behavior shaping.
