## Crisis Care Kits Are Still Needed!

Just a reminder that Crisis Care Kits (CCKs) are still needed. School Pal-Paks are also being requested globally. Information, instructions and inventories for these may be accessed on the NMI Web site <http://www.nazarenemissions.org/nmc> or pages 74-75 in the Blue District NMI Handbook.

"For those who are suffering, CCKs offer a glimmer of hope in the midst of disaster. Don't miss this opportunity to touch lives in a tangible way!"

There is still time to get your CCK's in the shipment to Fawn Grove.

## September Challenge—Alabaster

"Alabaster offerings are needed more than ever. With the number of new church starts in world mission regions (several due to the JESUS Film Partnership and other evangelistic outreach tools), Alabaster funds are in high demand.

The Nazarene Missions International family has the privilege of working together. Alabaster is just one of the ways we work together to accomplish God's mission. Let's continue to work together and give sacrificially for Alabaster.

## October Challenge—Mission Priority One

The Mission Priority One (MPO) achievement goals are based on the objectives of NMI: prayer, mission education, youth and children, interactive services and raising funds. Fulfilling these purposes reflects a church's priority on missions.

Study the changes in "Mission Education" or "Global Awareness" so you can be prepared to be a Mission

Priority One church this year.

Information on the changes are listed in the District Blue Handbook, 2006-2007 pages 61-65. If you need a Handbook please contact Gerry Perry.

"The mission of the church of the Nazarene is to respond to the Great Commission of Christ to 'go and make disciples of all nations.' (Matthew 28:19, NIV)

We Nazarenes have no choice but to be a missional church if we embrace what God embraces.

"The spirit of Christ is the spirit of missions, and the nearer we get to Him the more intensely missionary we must become." Henry Martyn

## World Evangelism Fund Goal for 2005-2006 Has Been Reached

Thank you to all of you who have given to the World Evangelism Fund. 90.65 % payment of WEF has been reached for the 2005-2006 church year. I think we have the greatest district in the US. When we have a need the churches do all they can to meet that need. We

appreciate all those who do what they can to support world evangelism. Several churches have already started paying the WEF for the coming year. Starting early makes it easier at the end of the year.

Thanksgiving offering is coming up

- begin to plan early
- pray about setting a goal
- plan a strategy
- cast a vision
- send in your money to Kansas City

People love to give to reach the lost. Remember Thanksgiving Offering is for World Evangelism. NO church should have a "0" in giving to World Evangelism Fund.

## CAMPS

Reports have come in from Camp Windsor Hills that the children had a wonderful time at Children's Camp with the speakers and Missionaries David & Rhoda Restrick. Dr. Restrick reported that 7 children indicated that God is calling them to be missionaries.

We also heard that the Senior Highers had a great camp with Alex Lu, Quincy Chinese Church and David and Rhoda Restrick.

The children and teens were divided up in groups and each day Restricks met with an individual group to share their experiences of God's grace.

As of this writing Steve and Irene Rieder, teachers in Asia, are at Junior High Camp.

We are waiting to hear their report.

## Did You Know?

- Volume 3 2006 of the world Mission DVD was sent to local churches in USA and Canada in July. Volume 3 2006 includes some excellent videos on Alabaster. Share it with your church.

## Prayer Requests

- "Books for Pastors" offering that our district goal will be reached.
- Jesus Film: showings, converts, discipling and training of pastors.
- Peace in Israel, Lebanon, East Timor and Sri Lanka.
- The General NMI Office team during personnel transitions.

## Dr. Manny Chavier, Sr.

Dr. Chavier was a missionary to New England and had a missionary heart. He touched many, many lives all around the world. His favorite quote was "Did anyone tell you they loved you today?" and his last words to his wife were "The Gates are open" and he walked through them right into heaven. His absence will be felt for years to come.

Betty served for 38 years on the District NMI Council and just retired this past May at District NMI Convention. Manny was right beside her providing transportation and support to global missions.

Good-bye Pastor Manny and welcome HOME!

Alabaster helps purchase land and construct places for people to worship, heal, learn, and grow spiritually.

Please participate in the Alabaster Offering.

## News From The Pews

### "TESS" Team Energized by Their Work & Witness Trip to the Gulf

"Here's a broom; start sweeping the gym!" We looked at the floor, divided into small rectangles that would be our space for the next week. What a welcome to Pascagoula, Mississippi!

What was to follow for the 39 TESS'ers (Teens Engulfed in the Spirit of Service) would be a power-packed week of giving and receiving ministry, lives changed on both sides of the giving and receiving.

Pastor Myron Hairston and his wife Carol taught us a lot about living by faith and prayer as they hosted us at Victory Praise and Worship Church.

Coming from churches all over New England, some sacrificed vacations and summer jobs to come to rebuild homes and restore hope to those ravaged by hurricane Katrina. Gilda, from Rumford, committed to come even though she didn't have a job. God provided a job that even gave her paid time to come. She donated that week's salary to the project. Joe, from South Weymouth, was in the hospital the night before we left with back pain from an old injury. He still came, and his determination, prayer and encouragement inspired us all.

Sunday our team ministered at the Victory and Praise Church, our hosts for the week. Martha Wilson preached, and the team ministered through puppets, drama, and a choir. The service was anointed of the Holy Spirit as we prayed around the altar.

Later Sunday we were joined by teams from all over the United States, some 300 teens and adults, serving with Mission Encounter in a summer of ministry. Now we understood the gym arrangements as we spilled out into the annex and church itself, sharing four showers and one bathroom each for the men and women!

During the week TESS divided into three teams: two for construction, and one doing VBS at the church. We replaced insulation, drywall, roofing, did painting

and clean up. Most of all we heard the stories of the ones we came to help -- water up to the roof, escaping on boats, evacuating loved ones, and the loss of so much.

Bob had recent heart bypass surgery and needed help in putting his house back together. He showed us his miracle Bible sitting on the top shelf, surrounded by water damaged books, but untouched. And he told of getting his mother-in-law out just ahead of the rising water. Story after story.

Stacey showed up one afternoon, soon to be evicted from her home. We counseled with her, and she returned for Ladies Night Out when the teens showered the ladies with lots of pampering.

VBS provided significant caring for children who had lost so much. There is so little for them. Mission Encounter is planning a special Christmas project for them. Can we go again?

—Report from Revs. Martha & Larry Wilson, Coordinators

### Bulgaria Team Build a Church in Stubel

A Work and Witness team of ten members, seven from the Wollaston Church and three from the Rutland, VT Church traveled to Bulgaria from June 19 -29. Our project was to assist the nationals in building a church building in the village of Stubel. The foundation and partial walls were there when we arrived. The walls were completed and the cement columns were poured. Forms were put in place to pour cement for the ceiling support.

The churches in Montana and Stubel hosted a sausage bar-b-que for us one evening. We, in turn, taught them how to make s'mores. They thought it was great fun. In Sophia we had the opportunity to visit the site of a purposed ministry center and do a prayer walk for its future development. Relationships were sweet with the church people and our fellow Bulgarians workers. They will be remembered in our thoughts and

prayers.

Members of the team were: Pastor Fred and Karen Fullerton; Joe Heath; Merritt Mann; Harriet Simons; Dale, Leah and Johanna Rector; Ruth and Richard Jarvis

### Duxbury Work & Witness Trip to Guatemala All They Hoped It Would Be

Hola, me iglesia! Dios les bendiga todo! (Hello, my church! God bless you all!)

Several times over the course of the missions trip we sang the Doxology together, and usually our Central American team members followed in Spanish -- what a blessing that was! *Praise God from whom all blessings flow!* I feel as if my life is overflowing with blessings right now! This trip was everything I'd hoped it would be and more.

The weather was not terribly hot, they fed us like queens and kings, our accommodations were more comfortable than expected -- and 41 adults and over 400 children accepted Christ! It was truly a life-changing experience. We: welded and bent and cut steel for church buildings, saw one of the buildings practically finished, drove over winding mountain roads with very scary drivers, shopped at an open market, taught about 600 children how to brush their teeth, helped Dr. Rivas treat 300 individuals or families through 2 medical clinics, painted the outside of two medical clinics, worked closely with many pastors and with laypeople from the Chicujau mission, showed the *Jesus Film* three times, led three VBS-type programs (including puppets), worshipped at two different churches and shared in music and with puppets, got to know our 5 other teammates, 3 from El Salvador and 2 from the US, toured the MAC Region central offices,

ate dinner with Bernie and Rhonda Slingerland and their family, handed out 'goodie bags' to over 600 children (often in the middle of a mob!), played soccer and basketball, made balloon animals for the kids – and laughed and prayed and sang and wept and grew spiritually in leaps and bounds.

Thank you for supporting us in prayer! We especially sensed that your prayers were 'paving the way' before us – many times!

Gloria a Dios! Pastora Lora

## New England District Work & Witness 2006 Ulyanovsk, Russia

On July 19<sup>th</sup> seven people from five churches on the New England District left on a 10 hour journey by plane to Moscow. This was followed the next day by a 17-hour train trip to Ulyanovsk, which is located approximately 500 miles east and slightly south of Moscow. This trip marks the ten-year anniversary of the district's involvement in God's work in Russia.

The congregation is led by Pastor Masha and her son Maxim.

In January of this year we expected to have 15 people go with us. However, God was in control, people were faithful in their giving and here we were.

Words cannot adequately describe the week. Let us tell you of the work and changes we observed. Clearing undergrowth; mucking out debris - some of the ugliest mud imaginable; hauling sand, bricks, water, and cement (110lb bags!); mixing 5 ton of mortar on the foundation slab; filling hundreds of feet of very large gaps between cement blocks; and laying more than 2000 bricks.

What is impossible to describe is the fellowship we shared with each other and especially the Russian people. God's love and the love of His people is

everywhere. God is working through His people in Ulyanovsk.

Sonya, our interpreter, was lovingly referred to by various names, such as "Sweetie Pie" and "Muscles." Sweetie Pie because she is one of the sweetest people you could ever meet and Muscles because she carried 4 bricks to everyone else's 3 and did the work of 2 people though she is just a lovely 5'1" young woman.

She first came in contact with the Nazarene Church in St. Petersburg in 1999 at age 12. At the Summer Camp at the Training Center in 2002 she led a group of 15 youth on the 8-hour over night train ride (not trains as we know them!) from St. Petersburg. She served as a counselor at the Camp. At nineteen she is starting her junior year on a scholarship at the European Bible College in Switzerland.

She is one of 11 children with alcoholic parents who were unable to care for the family. At 12 she was supporting her 6 younger brothers and sisters. The state finally took the children away from the parents about four years ago. Four of her younger siblings are still in an orphanage and Sonya herself has no place to call home. I hope someday you will have a chance to hear her testimony. God has a plan for her life and she is committed to the ministry in Russia. We are all certain she will have a major impact for Christ.

We also met neighborhood boys who remembered us from 2004 and came to visit us where we stayed. There was a steady stream of children of all ages past the work site. They represent the greatest opportunity for reaching Ulyanovsk for Christ and there is no better location or better people than Pastor Masha and her flock.

We left Ulyanovsk with many emotions. There was a great feeling of accomplishment at the amount of work our small team had done. There was great encouragement knowing that a local contractor would use the money we brought to continue the work right after we left to close off the basement and add

the next two levels. There was a feeling of loss at having to leave our friends. And there was a resolve to return and see the job completed. Join us in 2008! In the meantime we will be raising money to help get the roof on and make sure that Sonya completes her education. If all goes well she will graduate in 2008.

## Wareham sends a Work & Witness team to Fawn Grove

By the time you receive the *Messenger* Linda Westgate, president, reports that eight people will be going to Fawn Grove, PA, August 28-September 2 to help at the Compassionate Ministries center. They plan to take a trailer load of CCK's with them.

## Keene Church Celebrates 13<sup>th</sup> Stewardship Award

The Keene Church received from headquarters the Stewardship Honor Roll Award for all budgets paid in full plus having paid an extra 10% on WEF. This is the 13th consecutive year the Keene Church has received this award. Pastor Reilly presented it to the church on Sunday Morning, July 30. They celebrated God's faithfulness.

We encourage every church to celebrate when goals are reached. It gives honor to God for His faithfulness and to the Church for their faithfulness.

## Rockville Collects CCK's & Clothing

President Emily Hoover from Rockville reports that they just completed a drive for clothing and CCK's and have 53 boxes of clothing and 15 boxes of CCK's.

## Books for Pastors, Tools for Ministry

The Books For Pastors – Tools For Ministry Multi-Language Version DVD has arrived.

These have been ordered for churches who speak Spanish, Portuguese or French. As soon as they arrived from the publishing house we will mail them on to you.

Rev. Correia is asking each church to bring their Children's Offering for "Books For Pastors" to the Jamboree in their area.

Remember one film canister full of quarters will pay for one

## Scripture

"Do not store up for yourselves treasures on earth, where moth and rust destroy and where thieves break in and steal. But store up for yourselves treasures in heaven, where moth and rust do not destroy and where thieves do not break in and steal. For where your treasure is, there your heart will be also." Matthew 6:19-21 (NIV)

Be imitators of God...and live a life of love, just as Christ loved us and gave himself up for us as fragrant offering and sacrifice to God." (Eph. 5:2, NIV)

## Leadership Tip

"The surest way to ensure the failure of a decision – even a good one – is to make it in a vacuum. Any choice that you make in the office with the door closed, talking to no one, is suspect. Godly leaders from Moses to David to Paul have sought the advice of trusted comrades – and have heeded that advice."

## From the Heart of Dr. Daniel Ketchum, General NMI Director

Imagine. That requires creativity.

Envision. That requires creativity plus faith.

Deliver. That requires creativity plus faith plus teamwork.

Envision NMI refocused. Do you see what I see? I see local churches on every field and region around the world participating actively in global missions.

I perceive prayer with passion, increasingly 24-7...One leader noted, "I have exhausted my bag of tricks. I must return to prayer as priority."

I observe youth and children engaged interactively. One-half of the world's population is under the age of 24. Do

your church's ministries, strategies, and attendance reflect this reality? How can you begin to impact your church to attract and transform young, emerging leaders?

I envision expansion of global awareness. Books, articles, curriculum, prayer lines, DVD, Web sites, broadcast, text messaging, online mission magazine, blog sites, and pod casting.

I believe biblical commands and promises for stewardship in giving. WEF giving continues to be the vital lifeline for global development of leaders and churches.

Imagine NMI refocused. More effective evangelism. More productive discipling of

disciple-makers. Older leaders mentoring younger leaders for every local and district council position. Closer collaboration with other World Mission entities: communication, mobilization, mission services, compassion, deputation, literature, JESUS film, personalizing missions, partnerships.

I see every district NMI president globally networking by e-mail...I perceive younger leaders who have been effectively disciplined by older leaders moving into key roles on local and district councils.

I envision authentic spiritual renewal throughout the nations of the earth. All to the praise of God's glory!

IMAGINE. ENVISION. DELIVER.

## NAZARENE SCENE

**Indonesian Nazarenes Respond to Disaster**—A 6.3 magnitude earthquake struck Indonesia on May 23, causing massive damage, killing nearly 6,000 people, and displacing 647,000 more. Almost immediately after the quake, Nazarene Compassionate Ministries (NCM) and Indonesian Nazarenes sprung into action. Food and supplies were donated, and a public kitchen was established to provide meals. The Nazarene Bible School cancelled classes for two weeks to allow students to participate in the crisis response. While all Nazarene missionaries and their families are safe, four Nazarene churches and parsonages were destroyed and several Nazarene college campus buildings and missionary homes were damaged by the quake.

**NMI 90th Anniversary Project**—Thanks to the generosity of Nazarenes worldwide, 30 pastors in Mozambique (Africa Region) now have study Bibles in their language of Portuguese. The first resources provided by the NMI 90th Anniversary Project: "Books for Pastors—Tools for Ministry," the Portuguese Bibles were presented during the Mozambique Nazarene Seminary graduation ceremonies. Approximately

Number 66

\$2.19 million has been received (as of 5/21/2006) for "Books for Pastors," about 63 percent of our global goal of \$3.5 million. <[www.nazarenemissions.org/books](http://www.nazarenemissions.org/books)>

**Creative Access District Sends First Offering**—A Nazarene district in a highly restricted creative access area recently reported historic news—the district gave their first offering for the World Evangelism Fund. The churches on this district meet "underground" in a nation where Christians are persecuted. They cannot officially receive offerings for global evangelism, let alone send them out of the country. The offering was carried out undercover and delivered to international church leaders. We thank the Lord for few Nazarenes who give sacrificially in desperately challenging situations.

**First Women Ordained in Papua New Guinea**—In March 2006, General Superintendent Nina Gunter ordained the first women in Papua New Guinea (PNG)—Clara Siune, Jenny Asak, and Elis Kaui. This is a major historical event for the church in PNG, as the culture of the island nation is male-dominated.

NCN News

**Farewell to Friends**—After serving NMI for eight years, Mission Education Coordinator J. Wesley Eby retired April 1. Wes and his wife, Roberta, purchased a home in Lake Alfred, Florida, where they will move this summer. Shirley Kuhn, NMI accountant/statistician, retired April 7. She and her husband, Bob, moved to Alabama to be near family during their retirement. Dr. Karen Jones said "good-bye" to NMI June 2, after nearly eight years of service as the senior administrative assistant and office manager. Dr. Jones now serves as professor of business at Northwest Nazarene University in Nampa, Idaho.

**Welcome to Team NMI**—Rob North recently joined the NMI Office team as senior administrator, a ministry similar to the one in which Dr. Karen Jones served faithfully. Rob previously ministered as a Nazarene missionary to South Africa. In May, Aimee Curtis joined Team NMI part-time as mission education editorial coordinator. Her responsibilities are NMI missions books coordinator and editor-in-chief of the Adult Mission Education curriculum. Aimee succeeds Wes Eby, who directed these two projects for almost eight years until his recent retirement.

**Ministry Center Replaces Abortion Clinic**—In October, a new Nazarene ministry center was dedicated in Addis Ababa, Ethiopia. The land for this great facility was once home to an abortion clinic. In the place where lives were taken, now through Jesus Christ, lives are being reborn, transformed by God's grace. The five-story building houses a variety of Nazarene ministries, including a worship center, district office, and field offices. The ministry center was constructed through a joint effort of Alabaster funds, Work & Witness, and the support of local churches. Thanks, in part, to your Alabaster offering, where darkness once prevailed, now there is light.

**NDR Prepares for Hurricane Season**—While still in the midst of responding to needs in the U.S. Gulf Coast area, Nazarene Disaster Response (NDR) is preparing for the 2006 hurricane season. In order to help local churches respond effectively, NDR released four disaster training modules for churches, encouraging each district to appoint an NDR coordinator to facilitate training and preparation for disaster response.

## WORLD SCENE

**New Hope For Africa**—Campus Crusade for Christ International (CCFCI) is spearheading a project called Hope West Africa with the goal to give people an opportunity to experience hope and freedom through Jesus. CCFCI partners with local churches and church organizations to provide activities such as sports outreaches, parenting seminars, discipleship training, concerts, and medical outreaches.

*Campus Crusade for Christ International*

**Qatar**—The Persian Gulf nation of Qatar had been without a Christian church building for nearly 1,300 years. That began to change in 2000, when the government gave the Roman Catholic Church permission to build the first Christian church. It is now under construction. Qatar's ruler, Emir Sheikh Hamad bin Khalifa Al-Thani, recently offered land to several other churches. Soon other Christian groups will have churches in Qatar.

## Catch a Glimpse of This—

- According to *Church Around the World*, there are between 10,000 and 15,000 house churches meeting in Cuba.
- As of June 6, JESUS Film Harvest Partners Ministry reports 6,769,693 people have made decisions for Christ.
