## July Challenge—International Ministry, Bible Schools and Seminaries

---

NMI highlights the importance of our educational work in the preparation of ministers. Pray for our schools and their faculties and students. Every year approximately 175 international students are helped with the International Student Scholarship Fund. A wave offering is a good way to involve your church in this fund.

## August Challenge—LINKS

---

August is LINKS month. Check out pages 40 & 41 in the new District (Orange) Handbook for your assigned missionary. Some missionary assignments have changed this year. Encourage your congregation to send a card, a copy of one of your church services, a picture of your pastor's family, or other creative notes of encouragement to your LINKS mission-

aries. These small things will go a long ways to show how much you love them.
